

Special Notice

**The Canadian Unlicensed Firearms Owners Association
is pleased to announce the**

Canadian Right to Firearms Seminar

**This event will focus specifically on our
Right to possess firearms for self-defence.**

In the seminar we will review:

- the current state of firearms ownership,
- how we lost our Right to defend ourselves under the *Firearms Act*,
- CUFOA's attempts to repeal the licencing requirements of the legislation.

We will concentrate on how we can regain the Right to have firearms to defend ourselves.

Our Key Note Speaker is Canadian historian and film producer Dr. John Robson.*

Dr. Robson is a highly respected expert in British history. He brings a wealth of background knowledge to our topic having previously produced the documentary *Magna Carta, Our Shared Legacy of Liberty*.** Professor Robson can tell engaging historical stories that are over a thousand years old, can make them come to life, and can demonstrate their application to our situation today.

We will view Dr. Robson's soon to be completed *Right to Arms* fact-based project that traces our Canadian heritage of the possession of weapons for personal defense back to the English tradition of citizens having weapons readily available. The possession of weapons was not just a personal Right, but also the citizen's duty to answer the "hue and cry" to protect their neighbourhood.

Professor Gary Mauser will be on hand to remind us that like 'slowly boiling frogs in water' the Canadian Government has slowly but relentlessly used licencing firearms owners to strip us of our inalienable Right to have the means to protect ourselves.

The Seminar will be held in Saskatoon on Saturday, 06 May 2017, from 1:00 P.M. to 8:00 P.M. at the Saskatoon Inn & Conference Center.

The ticket cost is \$50.00; that includes the steak dinner at 6:00 P.M.

Canadian Right to Firearms Seminar

Topics to be Covered

- The English Experience with Licencing
- From the FAC to the PAL and No Right to Own Firearms
- History of Peaceful Civil Disobedience
- Henry David Thoreau Resistance to Civil Government
- Mahatma Gandhi Nonviolent Civil Resistance
- Martin Luther King Jr. and Peaceful Protest
- Canadian Experience with Civil Disobedience
- US War Protest Draft Card Burning Civil Disobedience
- CUFOA's Civil Disobedience Activity
- Bruce and Donna Montague's Challenge to a Bad Law
- Jury Nullification of Unjust Laws

After the dinner we will have a Question and Answer session to discuss CUFOA's proposed way to accomplish our goal of having our Right to have Armes for our Defense once again recognized in Canadian law.

We have suffered enough under the Government's licensing scheme that does not respect our Right to have the means to defend our families and ourselves. We must do what is necessary to convince the Government that we will not submit to this unjust law.

If you are unable to attend this Seminar we encourage you to contribute to the cost of this event. Our speaking notes will be available on-line.
